DINER

Private Dining & Group Events

A casual gathering space with modern touches and our updated take on comfort food.

PRIVATE DINING ROOM

Our sun-filled private dining room has a sliding door for privacy, and is a comfortable setting for daytime or evening events. Our private room seats up to 25 seated guests.

OUTDOOR PATIO

Reserve our entire patio for your next seated dinner, standing reception, or family-style feast. Our covered outdoor patio is a beautiful setting for any type of event, including birthday parties, rehearsal dinners, and sunshine-drenched corporate events. We can accommodate up to 22 seated guests.

DINING ROOM

For larger events, our main dining room is available for exclusive buyout on select days and times. Our main dining room holds up to 80 seated guests + 25 in adjacent private dining room for up to 105 seated guests indoor.

BREAKFAST, LUNCH & DINNER

Hub & Spoke Diner serves breakfast, lunch and dinner, plus wine, beer, spirits, craft cocktails and our famous boozy shakes. We also have a full espresso bar and coffee shop inside the diner.

FROM SCRATCH MENU

We love creating new versions of old classics, but our prep is still old-school. We cut our potatoes and veggies by hand, make our sauces and dressings from scratch, and work with local suppliers and farms for seasonal produce and quality products year-round.
